LINE CARD

COMMERCIAL HVAC SYSTEMS

- Water Cooled Chillers
- Air Cooled Chillers
- Air Handlers
- Fan Coils
- Water Source Heat Pumps
- Packaged Rooftops
- Intelligent Equipment
- Modular Central Plants
- DOAS Units

- Variable Refrigerant Volume (VRV)
- Mini-Splits
- Packaged Rooftops
- Split System

- Unitary Applications
 - Packaged Rooftops
 - Split Systems
 - Mini-Splits

BUILDING AUTOMATION SYSTEMS & ENERGY MANAGEMENT

AUTHORIZED BUILDING
CONTROLS SPECIALIST

- Facility Explorer®
 - Niagara® Solution
 - Network-Wide Coordination
- Verasys®
 - Turnkey Solution for Light Commercial Properties

- Tridium® Niagara® Platform
- BACnet Thermostats
- Open Source Controls End Devices

FULLY CUSTOM HVAC EQUIPMENT

- Energy Recovery
- Desiccant Dehumidification
- Pool Dehumidification
- Packaged Rooftops

- Access™
- Fan Matrix™
- Balance Stream™
- Matrix Monitor™

- Custom Air Handling Solutions

- Modular Chillers
- Heat Pump Chillers
- Heat Recovery Chillers

PACKAGED / SELF-CONTAINED HVAC EQUIPMENT

- Outdoor Air Packaged Systems
- Packaged Energy Recovery Units
 - Total Energy Wheel
 - Enthalpic Core
 - Plate Heat Exchanger

- Low Profile DOAS
- Integrates with VRV
- Enthalpy Plate

- Modular Chiller
- Specialty Applications

INDOOR AIR QUALITY

- Needlepoint Ionization
- Reduces 90% of Pathogens Tested

- UVC Light Disinfection to Reduce Airborne Pathogens
- UV Photocatalytic Oxidation Panels
- Coil Cleaning Systems

- High Efficiency Filtration
- MERV 15 Rating
- 90% Ultrafine Particulate Capture

CRITICAL ENVIRONMENTS

- Fume Hoods & Controllers
- Room Pressure Monitoring
- Venturi Valves

- Specialized Systems for Pharmaceutical-Grade Indoor Agriculture Facilities

ELECTRIC HEAT

- Unit and Comfort Heaters
- Duct Heaters
- Explosion-Proof Heaters

HUMIDITY CONTROL

- Humidifiers & Evaporative Cooling
 - Electrode
 - Electric Resistance
 - Gas-Fired
 - Ultra-Sonic
 - Steam Manifolds
 - Atomizing

- Pool Dehumidification
- Indoor Agriculture

AIR-ROTATION

- High volume, low velocity air circulation
- Optimal for large open spaces

COILS

- Precision-Engineered Replacement Coils
- OEM Coils

- Precision-Engineered Replacement Coils
- OEM Coils

DRIVES

- Variable Frequency Drives
 - VLT-HVAC
 - Native BACnet
